John O'Rourke, Chair  
Select Board  
32 Main Street  
Conway, MA 01341

Dear Chairman O'Rourke:

I am writing to congratulate the Town of Conway on having completed the best practices chosen as part of your Community Compact, which we signed together on June 28, 2016. Fostering a strong partnership with our municipalities continues to be a top priority for the Baker-Polito Administration, and it is exciting to have the Community Compact program available for our partners in local government. As you know, Community Compacts create clear mutual standards, expectations, and accountability for both the state and municipalities as together we seek to create better government for our citizens.

I want to applaud the Town for choosing and finalizing the Long Range Financial Planning and Information Technology best practices. With assistance from Community Compact grants and the Franklin Regional Council of Governments (FRCOG), Conway was able to complete these best practices and make improvements in these key areas.

The Governor and I appreciate Conway participating in the Community Compact program and we look forward to partnering with you again in future rounds of the best practice program.

Sincerely,
