COVERED BRIDGE CLASSIC

10 am, Sunday Oct. 5, 2008

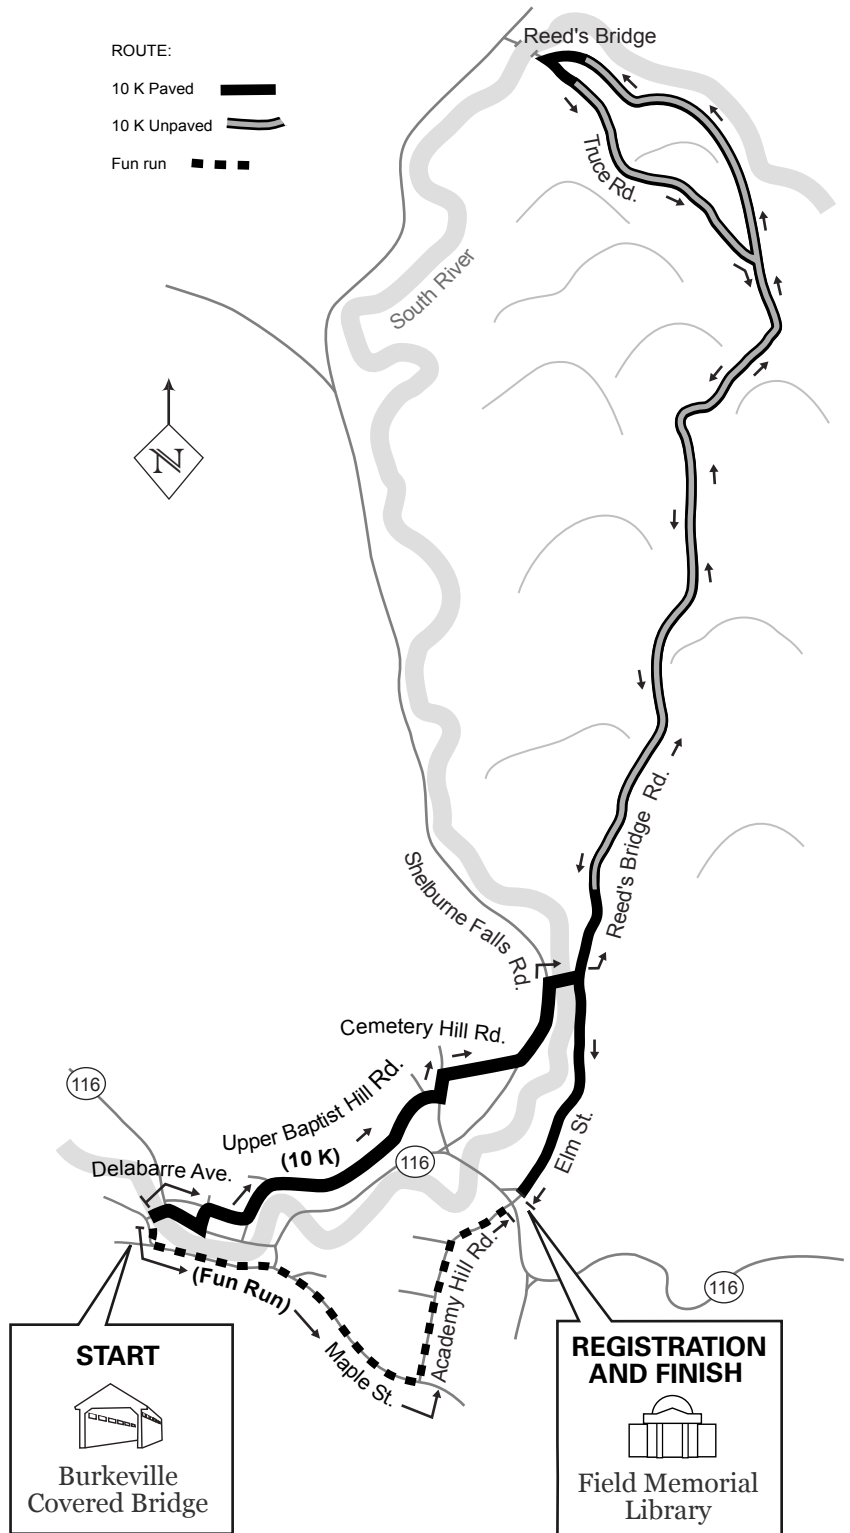

As in previous years, both the 10 K race and the Children's 1.2 mile race begin at Conway's historic Burkeville Covered Bridge, just west of the town center.

Registration and the finish line are at the Field Memorial Library in the town center. Plan to complete your registration at least 20 minutes before the start of the race to leave time to comfortably travel the one mile to the starting line.

The children's 1.2 mile fun run covers gently rolling hills through residential neighborhoods, and ends at the Old Town Hall before the intersection of Academy Hill Road and Route 116.

10 K racers begin at the newly restored covered bridge and briefly head east along Route 116. They turn up Ives Road, onto Delabarre Avenue and over Baptist Hill, heading down Cemetery Hill Road, and crossing the South River onto Reed's Bridge Road. The course then heads north on Reed's Bridge Road through hilly terrain, loops over the Truce Road hill, and rejoins Reed's Bridge Road following Elm Street to the finish line at Field Memorial Library. Much of the route along Reed's Bridge Road is a scenic unpaved gravel road.

Water is available at miles 1, 3, 4, and 5.
