

BOARD OF SELECTMEN  
TOWN OF CONWAY, MA  
MINUTES  
October 2, 2006

**Meeting Open: 7:30**

**Present:** Joe Strzegowski, Jack Lochhead, Christina Conklin, Tom Spiro

**Appointments**

**7:30 Board of Health, Jeff McFarland – emergency dispensing drill, online database, wood stove by-law**

Dave mentioned that there will be a drill on December 9 from 10-2PM at the Frontier School. They will give out flu, tetanus and pneumonia shots.

He discussed MAFCO – a coalition of 26 towns formed by the FRCOG, will potentially hire CTY who created a web-based communication alert system. This system utilizes a database of phone numbers to call every citizen upon activation in an emergency system. With this system one can type a message to every resident in town within 30 minutes and will make 5 attempts to reach them.

Dave also brought up the issue of outside wood-burning boilers. He said that they do not have adequate chimneys, and have proposed new regulations. Joe wondered about Board of Health involvement as it seemed to him like a building/zoning matter.

**8:30 Brian Kuzmeskus – 5-Town Initiative**

Brian reported that the steering committee will be looking for a Selectboard member to attend meetings. There will be a schedule sent out soon. Brian also mentioned the October 23<sup>rd</sup> date of the Master Plan Committee public forum.
