

BOARD OF SELECTMEN  
TOWN OF CONWAY, MA  
MINUTES  
November 20, 2006

**Meeting Open: 7:30**

**Present:** Joe Strzegowski, Christina Conklin, Jack Lochhead, Tom Spiro

**Appointments**

**7:30 Diane O'Connell**

Did not appear for the meeting but the Board asked Liz to relay Tom Scalon's recommendations to her. They are that the town needs copies of all of her bills as they are sent out, and that her separate account should be processed through the town accounting department.

**8:00 Festival of the Hills - Phyllis Jeswald**

Phyllis discussed how the contents of the letter from the 'mad scientist' were interpreted. The Committee will produce a letter of their own that will counter his letter and deliver it to the Board.

**8:40 Town Accountant Interview – Gina Sieber, Liz Braccia**

**9:00 Liz Braccia – Quarterly Report**

Liz reported on the town finances including interest accrued and the latest balance sheet. She reported on an article being prepared relative to retirees and also noted a study we may need town funding.

**9:25 Conservation Commission – Peter Jeswald, Tom Miner**

The Board reviewed a letter from Tighe & Bond that regarded work to be conducted at Flagg Mountain after the Notice of Intent (NOI) would be sent to Mr. Rowe. This work would be paid for by Rowe. The Commission asked for advise as to what their next step should be, and asked for an opinion on the McGregor & Associates letter.

The Board wondered if the town needed to create a contingency fund for this kind of potential legal challenge. The Commission already had \$1,500. Joe stated that the town can never provide legal fees. The Board has a letter from the Commission that states that the costs will be recovered once and NOI is filled.

The Board and Commission discussed various policy issues in hypothetical cases. No conclusions were reached.
