

BOARD OF SELECTMEN
TOWN OF CONWAY, MA
MINUTES
November 27, 2006

Meeting Open: 7:30

Present: Joe Strzegowski, Christina Conklin, Jack Lochhead, Tom Spiro

Appointments

7:30 Will and Donna Elwell from Ashfield – Flagg Mtn.

They live about one mile from the project and have concerns. That stated that local people are opposed to the project and asked the Board to amend the Conway by-laws to limit the number of houses on a common driveway. They also asked the Board to hold a special town meeting to consider this change. They asked the Planning Board to review the implications of any traffic impacts. Joe noted that the Board was considering making some changes to the by-laws in the near future, including site plan review, the length of a multi-use drive, and the number houses allowed along that drive.

8:15 Alice Vigliani – Loose Horses from the Culver residence

She stated that Ron Culver, Jr. owned horses that were not only trespassing on her land but also eating her flowers. She mentioned that this happens seasonally. Christina suggested that she file a civil suit. Alice asked if the Board could pass an ordinance against loose horses on town roads. M.G.L. 266, Sec 118 lays out a fine of no more that \$10 for this violation.
