March 26, 2007

Meeting Open: 7:30

Present: Joe Strzegowski, Christina Conklin, Jack Lochhead, Tom Spiro

Appointments

7:00 Ron Boyden – Scenic Byway designation for Rt. 116

Ron was worried about the consequences of Scenic Road regulations and came to get reassurances.

7:45 Diane O'Connell – Accounting

Diane reported a problem with Liz with regard to bills paid and other accounting paperwork. She is concerned that she needed a warrant number to research a deposit.

Liz was concerned with not receiving information she needs to complete transactions. One example was that Liz asked Diane for the name of an insurance company but was not given that information (which was United Health).

Liz was concerned that the accounting process does not fit with the way the Ambulance Department system is operating. Joe asked Liz for a list of the items that Diane needs. Diane asked to speak to the new accountant about the required process.

8:15 Ted and Suzanne Blaszak – Executive Session

9:00 Historical Commission – Peter Engelman, Carl Darrow – Boyden School House

They requested permission from the town to allow a final stage of construction for refurbishment of the school house, and help to raise the walkways to the level of the entrance.
