

BOARD OF SELECTMEN  
TOWN OF CONWAY, MA  
MINUTES  
April 23, 2007

**Meeting Open: 7:30**

**Present:** Joe Strzegowski, Christina Conklin, Tom Spiro

**Appointments**

**7:30 Tom Miner** - Common Driveway Bylaw change

Common Driveway Bylaw. How to proceed? Claims misinformed on deadlines but had significant number of people interested. Planned to get a committee together to review bylaw and varying issues. Leyden Bylaw has swap. Need to get a better sense of what folks want in town.

**8:00 Bob Baker** – Clarified right of way at Sue Bridges.

**8:30** Continued issue town meeting in 1891 to discontinue Fischer Place over Fischer Mowing. In 1981 Article 6 voted not to discontinue Fischer Place Rd over the mowing. Need to clarify. Alan Coombs signed release deed in March to Ed Rose. Ed rose grants Sue an easement over Fischer Place over mowing. Peter Freisem has right of way over Fischer Place Mowing Place Rd, as does Hobby. Walking area with Peter Jeswald at 1:00PM on Tuesday. Going to get signed agreement from Peter Freisem as to improvement on road. Sue could have 2 back lots that don't require 200 feet of frontage.

**9:20 Christian Elwell** – Drainage problem

The storm drain across from them was clogged in the fall of 2003 which did damage to his driveway. It clogs on Jackman's side of the road in the fall. April flood it clogged and rain water damaged drive. Hillman repaired drive. Elwell request town pay for damage and change catch basin. The Catch basin is on Jackman's property to get it out from the edge of the road. Grated top because Jackman wanted it to be level with grass aesthetics. Get permission from Jackman to change catch basin and submit to insurance but doubtful they will pay. The change in topography and catch basin has created problem.

**Meeting Items**

§ Approved minutes of 4/17/07
