

BOARD OF SELECTMEN  
TOWN OF CONWAY, MA  
MINUTES  
May 21, 2007

**Meeting Open: 7:30**

**Present:** Christina Conklin, Joe Strzegowski, John Lochhead, Tom Spiro

**Appointments**

**7:30 Liz Braccia** – Insurance and 2006 Bosley invoices (changed from 8:00PM)

Liz reported that portable bathrooms were erroneously charged to the FOH and that those charges should be moved to another account. Joe determined that we can use the end of the year flexibility.

Liz also discussed the case of Francine Freeman, who had asked to file a worker's compensation claim. Francine had not used the official school forms and there is no record of a form being filed. The school did put her on medical leave. Our insurance company recommended that the Freeman's file directly. Liz will send a summary of the account activity to Atty. Fitz-Gibbon and get his opinion on how to proceed with this case.

**9:00 Ed Rose, Peter Freisem, Bob Baker, Sue Bridges** – Access to Fisher Place Road

The group discussed the curb cut where the old Fisher Road enters. The Board voted to authorized Bob to sign the curb cut application.

**Meeting Items**

- § Approved minutes of 5/14/07
- § A motion was made to sign a grant fro the Council on Aging, 2<sup>nd</sup> all in favor.
- § Tom reported that Bryne Towing will pay the town \$50 per vehicle as part of the town's junk car removal program. Speedway Auto would also pay the same rate but was concerned about complications regarding titles. Tom will run ads in the Visitor and on the web page.
- § The ball field was rolled by Kocat. The FOH will be charged \$350 for the work.
- § Tom reported that the average salary for EMDs was \$1800.00. Deerfield and Whately wee interested in a combined EMD.
- § Two bids for engineering work on Old Cricket Hill Road were opened. SVE Consulates bid \$17,000 and Newman Environmental was at \$10,000. These did not cover wetlands and layouts relative to any easements. The Board asked Tom to get back to Peter Jeswald relative to these costs and preference to designing any remedies ourselves. Bob Baker was asked for his opinion on alternatives to professional engineering designs.
