

BOARD OF SELECTMEN
TOWN OF CONWAY, MA
MINUTES
May 29, 2007

Meeting Open: 7:30

Present: Christina Conklin, Joe Strzegowski, John Lochhead, Tom Spiro

Appointments

7:30 Bill Burnet – Dry Hydrant

Bill requested that an easement be drawn up for a dry hydrant on North Poland Road. Christina will look into the details.

8:30 Roy and Eileen Cohen – Road Drainage

Roy noted that the rip wrap from the "Poplar Hill" driveway was filling up the swales and culverts on Roaring Brook Road, as well as moving gravel onto his field. The Board discussed various possible solutions but none seemed effective. There may be a need to redesign the drainage at the top of the hill, but the Board wanted to indicate that gravel cannot be dumped onto the town drainage system. The Board will have to meet with Mike Kurkulonis to move towards finding a solution to these drainage problems.
