

BOARD OF SELECTMEN
TOWN OF CONWAY, MA
MINUTES
July 9, 2007

Meeting Open: 7:30

Present: Christina Conklin, Joe Strzegowski, John Lochhead, Liz Braccia

Absent: Tom Spiro

Appointments

7:30 Ed Rose – Common Driveway Bylaw Committee

Ed asked about the committee. It is uncertain whether he wants to be on it. He is also concerned about his own property. He wanted to know what the requirements are for a common drive i.e. when are they enforced and by whom?

8:15 Liz Braccia – Conway Station Road

Liz asked about the status of the road. The Selectboard reviewed notes from past Town Meetings to find evidence of a change of status but none was found.

8:30 Finance Committee, Liz Braccia - Outstanding bills for FY07

Rice Oil had submitted bills that put Bob's fuel account over budget. Liz needs to transfer more money from other funds to balance this account. There was also a major overrun in the Town Hall heating budget. There needs to be a review of the heating system, zoning and thermostat controls.

A motion was made to amend a previous vote to move \$9,000.00 from the Health Insurance and Board of Health budgets and \$3,419.15 from the reserve fund to balance all accounts. All in favor on both the Finance Committee and Selectboard.
